August 2021

Fire: Visitors from California

We were privileged to host a youth group of fifteen teens and five adults July 13th- 22nd. They served with us in evangelism. During the day they joined us in sharing the Gospel and meals with more than two hundred people living and working at the garbage dump. At night, we conducted open-air services on the streets. They also assisted with the Children's Ministry Building expansion project at Center #2. During their ministry time with us, one person was delivered from an evil spirit, several were healed of illnesses, and seven people committed their lives to the Lord Jesus.

Whether it is through your prayers, financial partnership, or participation on a missions trip, our staff and the people here are ALWAYS grateful and encouraged by what you do to assist us. Your partnership is needed, and welcomed, as we invest in the lives of children who otherwise would not have meals and/or a basic education.

Please continue to stand with us in all three areas. We believe in

and practice the fact that Proper Prior Planning Produces Positive Progress. Thank you for your generosity.

August: Family Month

Only one-fourth of Honduran citizens have been vaccinated and we are experiencing a surge in Covid-19 infections. Thanks to the Lord, recovery is greater than the death rate.

Last month, I mentioned plans for a ministries conference, however, due to the covid outbreak in that community it was postponed.

A Special Month

In Honduras, any couple desiring to get married must first walk through a long and lengthy paperwork process. In celebration of August as "Family Month," that cost is waived. Numerous couples who are new in Christ take advantage of this month to share marriage vows. It is a very exciting time for everyone.

At some point during the latter part of this month, I plan to visit my brothers, partners, and friends on the East Coast, beginning in Florida and traveling up-

wards to West Virginia. The highlight of the trip will be meeting my newest granddaughter.

Nelly has been in the States with Amy since she gave birth to our second granddaughter, Alena Grace, during the third week of July. We are extremely grateful that Amy, the baby, and Jesser, Alena's father are all healthy and happy. Some of you may remember Jesser. During his teen years, Jesser came to Christ through our ministry. As a young adult, he migrated to the States, after which he and Amy renewed their friendship.

In the name of Jesus,
