September 2021

What a month it's been. To spend time with so many different people daily is such a blessing. Watching the Holy Spirit working in the lives of people who previously had not recognized our Lord and Savior.

Those living in the bondage of alcoholism and addiction who begin to have transformed lives by taking the first step of surrendering to that power greater than themselves, our Loving Father. Those who are young and away from home for the first time trying to find their way in this world. Full of questions, uncertainty and sometimes fear coming to realize that the solution is right there. Those who are struggling to feed and care for their families even though they are working. Unfortunately, the "working poor" exist in our community. To see true peace, enter their lives when they begin to rely upon God instead of man. Those who are homeless, most of whom feel they have no hope. That glimmer of hope beginning as they start to have the slightest bit of faith after hearing the Good News. This is the joy that I get to experience simply by being obedient to the direction of the Holy Spirit.

Thanks to the generosity of a local insurance company, we were able to hand out 100 backpacks filled with ready to eat protein rich food and a Bible to the homeless in Tyler.

But now the homeless population is faced with no longer being able to "camp" on any public ground. (Many have been living in tents under bridges and in undeveloped land owned by the city) We are in the process of trying to find temporary housing in the East Texas area for as many as possible. Also, we have provided bus tickets for some to return to family willing to house them. Please pray that God's will be done in the lives of these men and women and that each find a suitable place to live.

Your continued prayers and financial support for this ministry are greatly appreciated.

Eric
