April 2022

Dear Supporters of Christian Faith Fellowship of Port-Au-Prince, Haiti,

It is a privilege and great joy to report on the most recent news from the mission field of Haiti! First, thank you for your prayers, words of encouragement, and financial support which make the mission a success. As most of you know, I am the widow of the late Pastor Charles F. Fortune, who was pastoring the church at Bizoton #55. Since his passing, I have written the monthly newsletter so that you may receive a report of the work in Haiti.

The latest news from Haiti causes me to be hopeful. The military is taking the streets of the capitol while musicians play their instruments and sing. Now, I will bring Jesus into the matter. This is the first time I have seen men in uniform playing old Gospel songs and pleading the blood of Jesus over the land of Haiti! Glory to God! For such a long time the news from Haiti has been very disturbing. This recent report brings a of hope for change. Please continue to pray for peace and unity among the Haitian people. (Matthew 19:26)

Church, School, and Clinics

Pastor Jean-Marie of the Bizoton church shared the news that a beloved sister who has been a member of the church for many years has recently passed away and two other sisters were hospitalized. We thank God for their healing and they are recovering at home. Please continue to pray for the church at Bizoton #55 and Pastor Jean-Marie and his family.

The school is very active and growing daily in number. They report a great need for volunteer professors and financial support. They are in need of supplies such as benches and blackboards, among other things. We believe that God is our great provider and that He will help us and supply all of our needs! Please pray for the teachers, students, and that the need for supplies is met. Thank you!

The clinics continue to be a tremendous part of the church's ministry. They not only treat physical illness but also minister to the people regarding their souls. Therefore, some who seek physical healing are led to Jesus and become members of their local church assembly where they experience great joy and life eternal. Thank you so much for supporting our clinics!

I will stop for today with the aim of reporting to you again next month. Please pray for me and my family as I also pray that God will bless you richly as we work together in the building of His kingdom.

Yours in Christ,

Sister Ruth Fortune
